By deferring my loan payment(s) for the month selected, I/we understand interest will still accumulate on the outstanding balance and that by taking advantage of the offer, the final loan payment may be extended by one month. If payments are weekly, bi-weekly or semi-monthly, the entire month of payments will be skipped. Payments made through a payroll deduction, ACH Credit or Direct Deposit will be deposited into my savings account for the month. I/we will resume payments as scheduled (the unpaid interest will be collected first), and all terms and conditions will apply following the month skipped as indicated above. I/we understand there is a \$40.00 processing fee per loan which will be deducted from the account. I/we accept that all my/our accounts with NAS JRB Credit Union must be in good standing and final approval is at the discretion of NAS JRB Credit Union.
